New City Hall Held Necessity In Near Future

Rebuilding of School Or New Structure Considered

Plans for a Redwood City Civic Center, dormant since voters refused in 1931 to approve bonds for a new city hall, were revived by the city council Monday night.

As a result, City Manager C. L. Dimmitt was directed to secure approximate cost estimates of two schemes proposed at the council meeting:

1. Build a new city hall adjacent to the present hall on Middlefield road.

2. Purchase the present Central School building on Broadway and convert it, where it stands, into a city hall, with auditorium for council meetings.

The proposal which had been urged by the Redwood City Elementary School Board of Trustees —that the city take the Central School building and move it to a city-owned site near the city hall —was ruled out as being prohibitive in cost.

$87,000 FOR MOVING

City Manager Dimmitt reported hat total cost of moving and altering the building would be some $87,000. This would include $65,000 estimated by Archibald Brothers as cost of moving the brick structure alone; $5000 for a new foundation and basement; $15,000 for alterations, and $2000 for re-arrangement of grounds. This latter expense, however, Dimmitt pointed out, would have to be borne for a new building, too.

It was reasoned that a new building of nearly as large floor space could be constructed for that amount. In fact, it was recalled, in 1931 plans were drawn for a satisfactory hall which would have cost but $65,000. This was the one rejected by a small margin at a bond election.

Costs are somewhat higher now, though, it was pointed out.

Two Arrested As Bookmakers In South S. F.

Fischer, Once Nabbed In Millbrae, Brother Caught By Police

Two men were arrested in South San Francisco over the week-end in the second raid on book-making establishments since the present gambling-probing grand jury began its investigations.

One of the men, Lawrence Fischer, was arrested last October by Sheriff James J. McGrath's aides in a raid on the Canary Cottage at Millbrae. At that time he drew a suspended fine for bookmaking.

OUT ON $250 BAIL

He is now at liberty with his brother, Theo, after posting of $250 bail each, on charges of bookmaking.

The raid was made Saturday afternoon by Chief of Police Louis Belloni and three of his South San Francisco officers.

They met no resistance when they walked into the book-making establishment, located back of a pool room at 257 Grand avenue. Fourteen visitors, including five women, were in the place at the time, Belloni said. They were not held.

$106 CONFISCATED

The officers confiscated a loudspeaker, $106 in cash, racing charts and other betting paraphernalia. Chief Belloni said that the Fischers had betting service wires returning news of Eastern races at the time of the raid.

The Fischers were to come up late today before Judge Wade H. Clay in South San Francisco.

BERKLA TRIAL MAY 7

Trial of Myles Berkla, 29, of Redwood City, former wrestler, will be held on hit-run and drunken driving charges May 7 before Judge Maxwell McNutt. Date for the trial was set Monday when Berkla, represented by the local law firm of Larrouy & Macdonald, waived a jury trial.

KING and CHORINE

"The King and the Chorus Girl" introduces to the screen the new personality of Fernand Gravet, the sensational young French star. Joan Blondell is seen opposite Gravet as a capricious chorine in this gay, sparkling musical romance now showing at the Sequoia Theatre.

William Brown, Local Resident 57 Years, Dies

William Brown, retired landscape gardener who had lived in this community for 57 years, passed away Saturday evening at his home, 36 Whipple avenue. Mr. Brown, the husband of the late Mary Fitzpatrick Brown, was a native of Balnadee, County Cork, Ireland. He was about 90 years of age. He had been inactive only a year.

Surviving relatives include a daughter, Anna C. Brown of Redwood City, and a son, James J. Brown of Los Angeles.

Karmel Talks To Merchants

Gathering to hear Dep. Dist. Atty. Burress Karmel, Redwood City independent merchants discussed California's Fair Trades and Unfair Practices acts in Sodini's Tavern Monday night.

Karmel explained the two acts' provisions and their meaning, pointing out that responsibility for enforcement lay with the merchants themselves as well as with the district attorney's office which could only co-operate with the merchants in carrying out the law.

He also considered problems in interpreting the acts and declared that the chief obstacle to their effectiveness was in the burden of proof, some of which he said was almost unobtainable, due to other legal prohibitions, such as the lack of public right to examine certain records.

Contributing to the discussion were Peter Ryan Sr., Peter Ryan Jr., Wade Doran, Peter D. Raso, Joseph Territo, William Ryan, Perry Downs, W. W. Hilton, Neil Ryan and Chairman Frank Britschgi.

ASSAULT TRIAL MAY 7

Earl Rush waived a jury trial and had his case set for May 13 when he appeared here late Monday before Superior Judge Maxwell McNutt on a charge of assaulting his divorced wife, Mrs. Amidol Rush, with a deadly weapon. Atty. Edmund Scott will defend Rush on charges the local automobile salesman struck Mrs. Rush with a baseball bat.

New Relief Bill Reaches Senate Despite Fight

Notification that Assembly Bill 1177, sponsored by the California Supervisors' Association and concerning relief, has passed the assembly and is now before the senate for consideration, was telegraphed to the county board of supervisors Tuesday by C. E. Grier, president of the association.

He declared that the bill is the only one that recognizes county government, and warned that its defeat would be the "beginning of the end of county government."

The bill is being violently opposed by San Francisco interests.

The minimum indigent relief appropriation for San Mateo county under the bill would be $52,747, while the maximum would be $168,789, with the state sharing expenditures over the $52,747 mark. In 1936 the county's appropriation for indigent relief was $40,753.

Over Million Sought By Air Victim's Kin

Claims for $1,201,823 damages by survivors of five of the eleven killed in the airliner crash in the bay off Mills Field February 9 were on file today against San Francisco, charging the cause of the accident lay with "negligence of the city and its agents" in operation of the airport.

The claims were filed with Controller Leonard S. Leavy and referred to City Atty. John J. O'Toole for investigation.

"The city is admitting no liability for the accident," Leavy was reported as saying, indicating all claims would be rejected.

CMTC Application Blanks Available

Maj. Henry W. Edmonds, commander of Redwood City Post No. 105, American Legion, has received application blanks from the enrollment officer of the Citizens Military Training Camps, Presidio of Monterey. The blanks and information regarding the camps may be obtained by any young man of suitable age from Major Edmonds at his home at 903 Brewster. Age limits are 17 to 29. Camps will be held at Fort Scott, Fort McArthur and the Monterey presidio between July 1 and 30.

Lipman Wins County Fiesta Manager Post

Budget of $23,800 For 1937 Exhibit Meets Approval

Chester Lipman of Burlingame was named Monday by the board of supervisors to the newly created full-time post of secretary-manager of the San Mateo County Fiesta.

Lipman, who was an active member of last year's fiesta commission and was renamed this year, will replace Martin Poss, who declined to serve again as manager because of the press of other duties, which include those of San Mateo city councilman as a result of yesterday's election.

In naming Lipman, the supervisors approved the selection made by the fiesta commission two weeks ago, although not revealed until today.

Last year's fiesta setup saw Poss as manager-secretary, assisted by Frederick Weddleton, who will not be connected with the county fiesta this year. He is now active in promotion of the San Francisco 1939 exposition.

SAME AS INCOME

At the time the board approved the fiesta commission's selection of Lipman as their new chief, the supervisors also approved a $23,800 tentative budget drawn up by the commission.

The budget estimates income from the 1937 fiesta as $23,800. Chief expenditures, outside of Lipman's salary, will be stenographers and florists, $1000; publicity, $3000; pageant, $1500; printing, $1000; electric wiring, $1500; labor, $3400; year book and program, $1200, and other miscellaneous items which will bring the total to $23,800.

The fiesta budget set forth that an estimated $17,713 would be paid in premiums, this sum being now already placed on deposit by the state with the state treasurer. This donation by the state to the local fiesta is made under a new law, earmarking a portion of the state's take on pari-mutuel horse racing bets for state and county fairs.

'Stop Tests' Offered To Local Motorists

A chance to find out how soon drivers can stop their automobiles in an emergency will be given Redwood City motorists during the next four or five days, without the lives of pedestrians or other drivers being in any way endangered.

Sponsored by the Lions Club, a "reactometer," will be exhibited in the courthouse rotunda. The device, a machine equipped with brake pedal, clutch and accelerator, tests drivers' speed in responding to the warning signals of red lights. Indicators show how long it takes a motorists to stop his machine, and how far the car would have gone in this interval.

The device, owned by the Aetna Insurance Company, was brought to Redwood City through the efforts of the Lions Club traffic safety committee, headed by John Buzolich.

YOUNGSTERS' SOAPBOX DERBY NOW SET HERE FOR JUNE 5TH

Rules for the Kiwanis Club Soapbox Derby were announced Tuesday by Howard King and Louis Christensen, co-chairmen of this event which will send Redwood City youngsters into thrilling speed competition early in June.

The race, to be staged on a down-hill course that will be kept secret until shortly before the competition, has now been advanced to June 5, to avoid conflicts with the San Francisco bridge opening fiesta.

Entry blanks for the miniature automboile race will be published in regular issues of The Tribune and may be mailed to the Kiwanis Soapbox Derby, care of The Tribune, or delivered at this newspaper's office on California and Montgomery streets. A deadline for entries will be announced later.

There will be three classifications in the race: Class A, 12 years or under; class B, 12 to 14 years; and class C, 14 to 18.

Cars must be home made, with wheels not over 14 inches in diameter, and must be equipped with brakes.

Excess weight added in addition to the actual material used in constructing the car will not be allowed. In other words, contestants will not be permitted to load their cars with sandbags or other heavy objects in order to gain speed through added weight.

All cars must have numbers not less than eight inches in height on both sides of the hood. Numbers of contestants will be mailed them after receipt of entry blanks.

All cars entering the race will be inspected two weeks before the race and also on the day of the race. Any car not passing inspection on the day of the race must be cheerfully withdrawn, King declared.

Accident Fund Gives Dividend To R. C., County

Because of their excellent record in keeping down accidents, both Redwood City and San Mateo county won dividends in 1936 from the state compensation insurance fund, it was announced today by Clark B. Day, manager of the fund.

The city will receive a check for $885.43 as a return on its July, 1935, to July 1, 1936 policy, while the county policy for the same period has earned a dividend of $2179.69.

Day said that he appreciated the city and county co-operation which enabled the state to refund these sums and congratulated Redwood City and San Mateo county on the result of their accident prevention programs.

Senior Gains More Laurels

Representing Sequoia high school, Alfred Newman, a senior student, has won the San Mateo County championship of the second annual California Crusaders' oratorical contest for high school students of California on the subject, "The American Constitution—What It Means to Me."

Newman won over representatives of South San Francisco, San Mateo and Mercy High Schools and Notre Dame Convent at Belmont in a contest held before a freshman-sophomore assembly at Sequoia. He will represent San Mateo county in the semi-final regional Crusaders' contest, winner of which will compete in the statewide final contest, with a trip to Honolulu as the prize.

For winning the county championship, Newman was awarded a gold medal.

Permit Is Given To Move Depot Across Tracks

The California Railroad Commission Tuesday approved the application of the Southern Pacific for permission to move its station in Redwood City to the west side of the tracks, the Associated Press reported.

The company also was given authority to sell the triangular piece of land on which the station now stands.

As a result, work is expected to be begun at once on removal of the building, plans having been made for start of the project as soon as permission was granted by the state.

Frazer Store Sale Nets Estate $84,000

Judge Maxwell McNutt has confirmed the sale for $84,000 of the former Frazer store building on University avenue at Emerson street, Palo Alto, to T. C. Christy and Wells P. Goodenough. The two-story building was placed on the market as part of the estate of the late James Frazer, Palo Alto merchant whose death precipitated an international battle for his estate, will be occupied for six months by the Palo Alto National Bank, which is rebuilding its present quarters.

Cement Firm Workers May Join Union

Plans Underway Here For Organization Of Employes

That unionization of Redwood City's largest industry—the Pacific Portland Cement Company—may soon be effected was revealed Monday by officials of the firm in San Francisco.

While plans for unionizing the workers have not been completed, company officials said they had been informed that such a move was underway.

An employes' committee of Phillip Forsyth, mill foreman; Harry Stephens, master mechanic, and G. L. Rozzell, of the business office, is contacting workers to learn whether they wish to become affiliated with the American Federation of Labor, headed by William Green, or with John L. Lewis' Committee for Industrial Organization.

It is expected that all craftsmen in the plant will belong to but one union, probably a Cement Workers' Union.

While Pacific Portland officials said they were not sponsoring the unionization move, it was known they are not averse to having such an organization formed so that the firm's products may bear the union label.

Several meetings of employes have been held to discuss the impending formation of the union.

There are more than 200 employes in the local cement plant, which is located on Redwood Creek adjacent to the site of the municipal harbor.

MENLO PARK NEWS NOTES

Attorney Jepsen of Atherton was elected fire commissioner at the election held last Monday. He received 245 votes and F. Whipple, incumbent, 35.

Late Saturday evening John Bracesco passed away suddenly at his home in Menlo Oaks. The deceased was a native of Menlo Park, aged 57. Bracesco had a prosperous plumbing business in Menlo Park. He was prominent in civic and fraternal affairs of the community. Besides his wife he is survived by a son and daughter.

George E. Russell, who passed away at San Jose last Sunday, was well-known in Menlo Park where he grew to manhood. He came from an old pioneer family of the peninsula. Mr. Russell was a guager for the internal Revenue Department in San Francisco for many years. He retired from the government service about 12 years ago. He was a brother of the late Stephen Russell who was battalion chief of the San Francisco Fire Department. He met his death in line of duty while fighting a big blaze on Kearney street.

Alumni of St. Joseph's School will conduct a rummage sale soon in the vacated bank building in Menlo Park. Miss Emily McCarty and Joseph Sullivan form the committee in charge. Contributions of articles for the sale may be made to them.

F. R. Stoller and his daughter, Marcia, have moved from the home they had been occupying on Loyola avenue, Atherton, to a residence on Lake street, San Francisco. Mr. Stoller was formerly associated with the Montgomery Ward store in Redwood City.

Moving into the home vacated by the Stollers are Mr. and Mrs. George Anderson and their two children.

The many friends of Mrs. Fred Lyon are glad to know that she has left St. Francis Hospital and is rapidly recovering at the home of Mrs. Carroll A. Devol on Santa Cruz avenue from injuries received in a recent automobile accident.

Isabelle Weeden Lindquist will spend the week-end in Monterey visiting relatives.

District Deputy Grand President Jessie Leslie of Bonita Parlor No. 10 visited Menlo Parlor, Native Daughters of the Golden West, Tuesday evening and installed the following officers: third vice president, Lola Patty; trustee, Mary Worrell and secretary, Isabelle Lindquist. It was with regret that the parlor accepted the resignation of Frances E. Maloney, who has served as secretary for many years, but Mrs. Maloney is city treasurer and has to attend civic meetings on the same nights that the parlor meets. The parlor meets on the first and third Tuesdays now instead of the second and fourth Mondays.

Deaconess Margaret, a cousin of W. H. and C. M. Weeden and Mrs. D. Driscoll, is making a tour lecturing on missionary work in Nevada. She spoke in Redwood City Wednesday and in Pacific Grove Thursday. She will return to her headquarters in St. Allian's mission, Yerington, Nevada, Sunday.

Mrs. W. Moore is in Community Hospital, convalescing from an operation.

W. Bower, principal of the local schools, has returned to his duties after many weeks' illness with the flu.

President Dora Devol, Elizabeth Lyon, Ethel French, Clarissa Ross and Isabelle Weeden Lindquist will attend the 26th District American Legion meeting in San Mateo tonight.

Mrs. Elizabeth Dutcher, mother of Mrs. Loren Ross, is in San Jose Hospital, suffering from a broken leg.

Civic Center Plan Revived

(Continued from Page One)

council meeting on other business, the council decided to investigate possibility of purchasing the Central School grounds and building outright, leaving the building where it is and remodeling it into a city hall. Smith expressed belief this could be done as cheaply as the moving of the more than 30-year-old building.

Councilmen in discussion led by Mayor Paul McCarthy pointed out that this would bring the city offices closer to the county courthouse; that purchase of the large site at Broadway and Middlefield would leave room behind the building, now used as a playground, for parking of cars of city and county empolyes; and that eventually, when the remodeled building had become inadequate, value of the property would have so increased that it could be disposed of for enough to construct a new city hall.

On the other hand, it was pointed out that at best the building would be a "patched up" city hall, larger but little more convenient than the present overcrowded structure; that construction of a new one near the present hall would leave the latter free for use as nearby police station and would be just as close to the post-office, and closer to the central firehouse.

Manager Dimmitt, it is expected, will be ready to report result of his investigation at the council's next meeting, April 19.

Minerva's Effects Fail to Back Claim

COLMA, Apr. 7.—If "Mother" Minerva Hartman had any records of her battlefield nursing career, they perished with her in the fire that cost her life at her "fort" on stilts beside El Camino Real at Colma.

Coroner William Crosby said today that search of her belongings salvaged from the fire produced nothing besides numerous newspaper clippings, letters, pieces of old cloth, old clothes and beads, with none of the effects supporting the 104-year-old woman's claim she served as a nurse in the Civil, Indian and Spanish Wars and the Philippine Insurrection.

Elmer Ralston, 28, Passes Away At Family Home

Following a two weeks' illness, Elwood Verner Ralston, 28, passed away Monday at the family home on the Ralston ranch near Woodside.

The youth, a member of the long-prominent Ralston family who were pioneers of San Mateo county, had spent most of his life at the ranch.

Young Ralston was the son of Mrs. Maggie Pritt and the late William Wallace Ralston and a brother of Mrs. Ora Upton of Warm Springs, Mark Ralston of Oakland, Byron D. Ralston of Woodside, Winslow Ralston of La Honda and May Ralston, who lives on the Ralston ranch.

The European table grape is now being successfully grown in Southwest Texas.

Burlingame's Mayor Buys Home in R. C.

Buck to Move Here, But Keep Council Post, Business

C. A. Buck, mayor of Burlingame, soon will become a resident of Redwood City!

He revealed this Tuesday, announcing that he had purchased a home at 634 Brewster street, corner of Grand, and would move to this city "later" this month.

Reason for the move, Buck said, was for his wife's health. Mrs. Buck, the mayor said, has not been well for some time.

KNOWS OF CLIMATE

Having lived here years ago, she is acquainted with the nature of Redwood City's "climate best" and believes she will enjoy better health here, Buck explained.

Buck, who is chairman of the county planning commission and was a candidate for supervisor last fall, plans to maintain legal residence in Burlingame, holding his city council and mayoralty post and managing his storage and transfer business, he said, becoming a commuter to that city.

ROGERS MOVE TO S. F.

Purchase of the local home, a two-story colonial house, was made from Maj. and Mrs. E. H. Rogers residents here for the past six years who plan to move to the Marina district in San Francisco.

"We hope to return here later on," Mrs. Rogers said today.

The Bucks have disposed of their home at 1433 Chapin avenue, Burlingame, the mayor said.

Ben White drove Rosalind to win the Hambletonian Stake this year.

Plans for Coastside Events Told Newsmen

H. M. Clark, county planning commissioner, spoke before the San Mateo County Press Association at its meeting in Half Moon Bay Monday night, telling the newspapermen of the Westside Improvement Association's proposal for creating a harbor at Half Moon Bay and of the plans for the annual yacht races to be held in September. Cross country races are also being planned, Clark said.

Edwin Wilder, manager of the San Francisco office of the California Newspaper Publishers' Association, told of pending state legislation and of the advertising managers' convention at Oakland in June.

George Dunn, Half Moon Bay Review publisher, was host. Next month's meeting will be in San Bruno with Harry Elston of the Herald as host.

Robinson Reappointed Probation Officer

Superior Judge A. R. Cotton Tuesday re-appointed Probation Officer Francis Robinson for his fourth consecutive two-year term.

The judge's action was taken upon recommendation of the probation committee, which met this morning and approved inclusion in the juvenile home budget of funds to hire a stenographer at $100 per month and of approximately $3000 to permit construction of a juvenile courtroom and a recreation room over the back of the present building, which is two stories in front and one in the rear.

Marshall Cuts Highway Costs

Rights-of-way and construction costs will not exceed $670,000 in the widening of El Camino Real between Five Points, Redwood City, and the Santa Clara county line, County Engineer U. S. Marshall believes.

An effort is now being made to have included in the 1937-39 state highway budget the 3.6-mile link which is the only remaining section of El Camino Real that is not a four-lane highway.

Two-thirds of the cost will be for rights-of-way as the highway goes through the business district of Menlo Park and also will cut into several valuable Atherton estates.

Marshall estimates the rights-of-way could be purchased for $430,000. The cost of paving the fourth lane would be about $190,000 and the grading and other miscellaneous expenses would be less than $50,000.

Between the county line and Five Points are 59 buildings that must be moved or razed. Of this number nine are two-story structures. Thirty-eight of the buildings are located in the 1.2-mile distance between the county line and the north city limits of Menlo Park according to Marshall's survey.

GREED KILLS STARLINGS

SYDNEY (U.P.)—Starlings, which are used in various districts of Australia to keep down caterpillar plagues, are paying an awful penalty for their services to mankind. Thousands die from eating too many caterpillars.

Policeman's Widow Asks $100,000 Here

For death of her husband, John T. Doyle, former chief of police of Daly City, whom a coroner's jury decided was killed by a streetcar although his fellow police officers insisted that he was the victim of a hit-run driver, Mrs. Mae Stella Doyle, has sued the Market Street Railway Company for $100,000 damages.

The local superior court suit also named Luther Milliken, motorman, and Alfia Pennise, conductor, as defendants.

Mrs. Doyle, who sued with Thomas Doyle, 16, her son, as coplaintiff, charged that the railway company's carelessness and negligence were responsible for the December 19 accident.

Attorneys for Mrs. Doyle were Vincent Hallinan and Emmett R. Burns.

The aard-vark, or "earth pig," is found only in Africa. It feeds chiefly on ants.

BOY NEARLY DROWNS IN M. P. CREEK

Norman Abrahams Falls From Tree Into Water

When he fell into six feet of water in San Francisquito Creek near the Beth Jacob Synagogue on Creek drive, Menlo Park, shortly before noon Sunday, 8-year-old Norman Abrahams of 40 Grand street, Redwood City, narrowly escaped drowning, Menlo Park firemen, who aided in the boy's rescue, reported today.

The child was climbing in a tree whose branches overhung the bank, the firemen said. He apparently slipped and fell, tumbling onto the soft, steep bank below, then rolling into the creek.

Unable to swim, the lad was swept down the stream, but had the presence of mind to grasp a projecting rock. He then clambered out of the water onto the rock.

His screams brought members of the congregation, who summoned the fire department when they were unable to effect further rescue of the boy because of the steep bank. The firemen lowered a rope over the 40-foot bank and hauled young Abrahams to safety. Although soaking wet, he appeared none the worse for his experience.

Asst. Fire Chief Elmer Hara and Firemen Ed Wickstrom, William Brown and Frank Carter, who aided in the rescue work, were unanimous in agreement that the boy had a narrow escape from drowning.

TEACHERS SEE HOSPITAL

Three Sequoia high school faculty members—Miss Camilla Low, dean of girls; Donald Bogie, dean of boys, and James Eva, counselor, were in Sonoma Saturday to study methods used at the Sonoma Home in dealing with mental deficients, both adults and children.

Menlo Park Salesman Dies of Heart Attack

Edward G. Corliss, 48, advertising salesman who had lived in Menlo Park only two weeks, died suddenly of a heart attack Tuesday afternoon in that city.

Besides his wife, Mrs. Helen E. Corliss, he leaves a daughter, Mrs. Dorothy Davis of Los Angeles. He was a brother-in-law of Dr. R. J. Tormey of San Francisco.

Woman Exonerated In Lunardi Death

Mrs. Irene Thompson of Los Gatos stood absolved today of any blame in connection with the death here of Bert Lunardi, Redwood City gardener who was fatally injured in a collision between his bicycle and Mrs. Thompson's machine.

At the same time that a coroner's jury absolved Mrs. Thompson of blame, the inquisitors also decided that Obie Evans of Los Angeles, whose body was found beside the Southern Pacific tracks in San Mateo, "probably" died from being struck by a train. Because of the unusual nature of Evans' head injuries, authorities had been investigating the possibility of his having been murdered.

The inquests were held by Coroner William Crosby at the Layng & Tinney funeral parlor.

County CCC Quota Is Placed at 32

A quota of 32 boys will be sent to the Civilian Conservation Corps camps from San Mateo County during the enrollment which will take place until April 20, it was announced today.

Of the county quota, the Sequoia high school district's share is 16, with Principal Clarence Argo in charge of the enrollment

Those selected will fill vacancies caused by discharge of enrollees during the past three months.

Youths who go to camp are expected to remain for a period of at least six months. They must be between 17-28 years of age and are paid $30.00 per month plus clothing, food and lodging.

Humane Week Set Here April 11-17

With humane societies throughout the nation planning to celebrate "Be Kind to Animals Week" April 11-17, Redwood City Humane Society, Mrs. M. P. Matteson, chairman, issued an appeal today for local observance of the annual country-wide program.

Clergymen have been requested to devote at least part of their Sunday sermons to preaching kindness to animals, with informative literature having been supplied them.

The American Humane Society, in charge of the national movement, has planned several other forms of endeavor, the local branch said.

The Honolulu chamber of commerce was organized in 1850.

City Is Urged To Buy Lands At Port Site

Port Commission Asks Council to Get Land For Industries

That Redwood City should attempt to purchase or secure options on the remainder of all property at Redwood City's harbor site west of the Pacific Portland Cement Company's spur track and between the cement plant and the yacht harbor will be recommended to the city council by the port commission as the result of action taken by the commissioners Tuesday night.

The motion to obtain the unsecured property—estimated by City Manager C. L. Dimmitt to comprise about 29 acres—was made by Commissioner A. B. Cheatham and seconded by Commissioner H. W. Edmonds. It passed unanimously, with Commission President E. B. Hinman and Commissioners John McCarthy and Elmer Hurrell concurring.

WOULD LEASE OR RESELL

Purpose of the city buying the property would be either to sell or lease it to prospective industries. The land is to be filled with material secured in the dredging of the harbor.

Land already purchased by the city at the harbor site cost $1500 an acre, but it is said private owners now seek $2500 an acre. It was suggested that if the property could not be secured for $1500, it could be obtained through eminent domain proceedings.

The commission also endorsed the proposed festival planned for early in September upon opening of the harbor. City Council Delegate Evans A. Fletcher and Frank DePatta of the Veterans of Foreign Wars, sponsoring organization, appeared to ask for official sanction.

MAP TO BE PREPARED

Commissioners Edmonds and Cheatham were named by Chairman Hinman as delegates to a meeting of city-wide organization representatives tomorrow night.

The commission also asked Manager Dimmitt to prepare a map showing the present ownership and boundaries of all properties at the harbor site.

The city now controls 43½ acres through ownership and another 14½ through legal options. There are nearly 90 acres there, Dimmitt said.

Of the 43½ acres, 12½ adjoin the cement plant and will be used for the harbor facilities now planned, while most of the remainder lies northeast of the yacht harbor. It is several strips of land in between that the commission is now concerned with.

ATTORNEY IN ACCORD

City Atty. Albert Mansfield pointed out that the city had tried to procure the entire acreage when the harbor proposals were first approved but had not at that time had the funds. He agreed that another effort should be made by the council.

Other business handled by the commissioners included the issuance of instructions to Secretary Edmonds to send a written protest to the Interstate Commerce Commission and Chairman Joseph B. Eastman urging amendments to a proposed bill which, it was declared, would penalize American-owned ships wishing to dock first at a major port and then a smaller one; hearing an offer by Julius Smith on behalf of local real estate brokers to aid in publicizing and making more attractive the sale of industrial sites adjacent to the harbor, and deferring until the next meeting April 20 a committee report selecting for personal interviews several of the many applicants for the position of port manager.

'Come Up and See Us', Say These Sky Girls

In the largest and most powerful passenger landplanes in service, these diminutive air stewardesses of United Air Lines preside over an aerial kitchenette from which they serve hot chicken dinners to passengers. Already in non-stop New York-Chicago and Los Angeles-San Francisco service, United's Mainliners will shortly inaugurate faster three-stop coast-to-coast flights.

Parking Area Also Planned

Painting of a pedestrian lane across Upper Broadway at a point between the Popular Market and the east side of the driveway of the Union Oil Station was agreed upon by the Redwood City City Council Monday night.

It was also decided to rescind the order prohibiting right turns against the signal at the northeast corner of Broadway and El Camino Real, at Musso's Drug Store, thus speeding up traffic. It was decided, however, to maintain the signal at the opposite corner, adjacent to the high school.

Another move in connection with Upper Broadway traffic was the appointment by Mayor McCarthy, on motion of Councilman Eva, second of Councilman McNulty, and in accordance with suggestion of Councilman Fletcher, of a committee of Fletcher and Councilman Hohn, along with City Manager Dimmitt, to contact merchants relative to their renting the vacant lot on Perry street between Upton Brothers and the Borden Dairy Delivery for a public parking area. The city would fill the lot and make it suitable for parking, it was agreed, if the merchants in the vicinity would pay the rental.

The matter of overparking was considered, with it being suggested to the police department that more attention be given to the observance of the hour parking rule.

Judge Cotton Gives Orphans To Aunt Here

Grandmother Breaks Down As Custody Battle Ends

Nina Kusnetsoff's 3000-mile trip from Japan to win custody of her orphan nieces, the Boellaard children, ended successfully Monday, climaxed by a dramatic scene touched off by tears.

The petite Russian exile, fashionably dressed in black, was awarded guardianship of Olga and Leanna Boellaard here after Superior Judge A. R. Cotton had declared he was "impressed" with Miss Kusnetsoff's remarkable ability to adapt herself and earn her living in the United States.

The legal struggle for the orphans, which began shortly after the children's parents, John and Maria Boellaard, were killed here July 16 last year in a grade crossing accident, and has been marked at times by bitter feelings among the contestants, ended in a note of joy.

GRANDMOTHER WEEPS

Paraskeva Kusnetsoff, the children's grandmother who speaks only Russian, broke into tears when informed by her friends that Judge Cotton had revoked the guardianship letters granted to Mr. and Mrs. Alexander Ivars of San Francisco, and had awarded the children to her daughter.

Wiping away the tears which streamed from beneath her glasses, the little Russian woman bowed and bowed her gratefulness to Judge Cotton.

Tears of joy streamed down the face of Mrs. Victor Hugo, too, who with her husband once sought custody of the children but has been an ally and close friend of the Kusnetsoffs' ever since their arrival here several months ago.

Judge Cotton paid a tribute, too, to the Ivars, the man a Russian war veteran and his wife a war nurse who was wounded in action.

Annapolis, settled in 1649 by Puritan exiles from Virginia, was named in 1694 in honor of Princess Anne, later queen of England.

Plumbing Contractor Dies in Atherton

John E. Barcesco, 51-year-old plumbing contractor, died Sunday at his home on Ridgewood road, Atherton. Mr. Barcesco, a native of Menlo Park, leaves his wife, Gene; a daughter, Mrs. June Curran, and a son, Mervyn Barcesco, both of Menlo Park; three sisters, Agnes Barcesco of Menlo Park and Mrs. Kate Schroeter and Mrs. Mary Cooley of San Mateo, and a brother, Frank Barcesco, of Menlo Park.

ARGO ATTENDS PARLEY

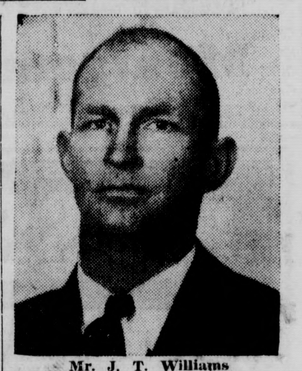
CARPENTER SUFFERS TEN YEARS WITH SLUGGISH KIDNEYS ENDORSES WILLIAMS S.L.K.



Mr. J. T. Williams

Mr. J. T. Williams, of 1347 North Ninth Street, Fresno, praises Williams S.L.K. Formula. According to Mr. Williams, he suffered 10 years with sluggish kidneys. He was bothered with constipation. "I can't thank Williams S.L.K. enough for the wonderful relief it has given," states Mr. Williams.

This statement is not unusual. Thousands of letters such as this one come in praising S.L.K. for the relief of Sluggish Stomach, and Kidneys, Bilious Liver, Constipation, and general rundown condition.

If you ar suffering from excess acidity which has thrown your stomach out of order, so that you swell up with gas after eating, feel painful pressure against your heart; if constipation has clogged your system so that the impurities flow into your blood stream; if your Kidneys are sluggish, you can expect prompt relief from these irritating conditions as a result of the action of Williams S.L.K. Formula. This medicine works on a different principle than most remedies.

Here is what Mr. J. T. Williams writes:

"For the past ten years I had been troubled with sluggish Kidneys that bothered me a lot. It was a nuisance while at my duties as a carpenter. Also my eyesight was affected by a sort of "blur" especially when trying to see at a distance. And I had a constant ringing in my ears like a distant telephone bell. My bowels were constipated all the time and I could not eat either meat or cheese. I could hardly eat anything. Everything seemed to aggravate my condition. Also I noticed a peculiar swelling of my head all around the crown. And I grew extremely nervous and lost much weight.

"I saw an ad in the 'Fresno Bee' about Williams S.L.K. Formula and because I had spent so much money I was hesitant to spend any more. But as this medicine was guaranteed to give relief or money back and sold right here by my local druggist I decided to try it. After the first bottle I felt relieved—my eyesight has cleared up—the swelling in my head has disappeared—I can eat the substantials of life now—and have gained in weight. My nerves are more normal. And whereas before taking this medicine I could not sleep nights because of necessary frequent arising with my kidneys, I now get a full night's rest and I am certainly in better health in every way."

There is no secret to this medicine. Its contents are on the label. The Young Drug Company of Redwood City will tell you what is in Williams S.L.K. Formula and will also tell you about the marvelous results obtained by thousands of sufferers through America.

MONEY BACK

We don't expect you to risk your money. We know what Williams S.L.K. should do for you therefore we make this fair offer. Get a bottle today and if you are not completely satisfied after taking your first bottle, your money will be cheerfully refunded. The Young Drug Company are the exclusive agents for Redwood City. The Young Drug Company will see to it that money will be refunded in case you are not completely satisfied.

WHEN YOU GO to the City, let the engineer drive you over non-skid steel rails—the surest, safest and most comfortable highway in the world. You don't have to worry about traffic jams or parking. Just relax and take it easy.

Lew Franklin — John Buzolich

The owners of this establishment have been trained by employment in funeral homes of all denominations and coroner's offices. Both owners are licensed embalmers and graduates of the San Francisco College of Embalming; holding diplomas from the Conference of Embalmers Examining Board of the United States.

1. Our policy is honest and sincere service.
2. All services conducted in a dignified and professional manner.
3. Paramount service rendered regardless of the cost of the funeral.
4. All funeral details attended to personally by the owners.
5. We do not take advantage of a bereavement to encourage unnecessary expenditures.
6. We are personally in attendance 24 hours daily.
7. We are constantly striving to uphold the high standards and esteem this firm has enjoyed in this community for the past 69 years, and to improve our service whenever possible.
8. We do not solicit business unethically.
9. We have no unethical connections with doctors, hospitals or political offices.
10. This management has received but one call in connection with a coroner's case from the local police department.
11. The management has never received a call for a coroner's case from the sheriff's office.
12. This management has never received a call from the traffic squad on a coroner's case.
13. Sanitoriums, hospitals or institutions never call the James Crowe Mortuary without proper authority from the families involved.
14. Only one fifth of the coroner's cases in this locality have been directed to the James Crowe Mortuary.

We feel that the above facts are such that we can properly state that the James Crowe Mortuary always conducts an ethical, dignified service.

The people of this community are always assured of a personal, kindly service by the James Crowe Mortuary.
